# European Pensions & Global Finance by Gordon L. Clark

Gordon L. Clark

This e-book is ready the demographic and investment crises that threaten continental eu structures of pension and retirement income. European Pensions & Global Finance the writer argues that state-sponsored social safety won't convey promised retirement earning for the baby-boom generation; eu financial union and the imperatives of worldwide finance has made such offers untenable thereby undercutting countryside social solidarity. Globalization has set many demanding situations for eu international locations no longer least of that's supplying pension safeguard for concept citizens. on the comparable time, worldwide finance has opened-up strategies for firms and participants looking choices to the past; yet exercise these possibilities will come at a excessive price for eu notions of social justice.

## European Pensions Global Finance
