# Exodus 1947: The Ship That Launched a Nation

Ruth Gruber

On July 18, 1947, American journalist Ruth Gruber stood on a wharf in Haifa Exodus 1947: The Ship That Launched a Nation because the Exodus 1947 limped into harbor. The night before, this unarmed ship, filled with greater than 4,500 Holocaust survivors, have been rammed and boarded by means of sailors of the British army to avoid her determined human shipment from looking safe haven in Palestine. Gruber rushed to the scene and commenced witnessing the occasions Exodus 1947: The Ship That Launched a Nation as they unfolded, eventually spending the following a number of months pursuing the exiles from port to port at the Mediterranean. Gruber's quest produced riveting dispatches and vibrant images released within the ny bring in Tribune and the hot York put up that formed all over the world notion of the plight of the DPs and arguably prompted the U.N. to create the country of Israel. This gripping publication includes Gruber's relocating pictures and text, plus extra reporting at the wretched Exodus 1947: The Ship That Launched a Nation camps in Europe Exodus 1947: The Ship That Launched a Nation the place the refugees lived ahead of boarding the Exodus 1947, in addition to info of many passengers' eventual fates. during this variation marking the 60th anniversary of the voyage, Gruber's masterpiece continues to be as stirring and unforgettable Exodus 1947: The Ship That Launched a Nation as ever.

Exodus 1947A well timed e-book written years ago. i have had this e-book on my TBR checklist for a few time, and made up our minds to learn it now due to present mid-eastern political problems. I learn the novel, "Exodus" via Leon Uris decades in the past and knew many of the historical past of the founding of the kingdom of Israel. However, this booklet by way of Ruth Gruber tells the appalling tale of the ship, Exodus and the heart-breaking tale of the displaced Jews that survived the Holocaust. In 1999, Gruber's unique booklet released in 1948 used to be up to date with many photos added. the hot variation additionally tells the tale of the Displaced Persons, who lived in crowded camps, a few former Nazi military camps. They Exodus 1947: The Ship That Launched a Nation have been a individuals with no Exodus 1947: The Ship That Launched a Nation position to go, usually without family who survived. They sought after a spot to name home, a Jewish State."From the tip of the conflict in may well 1945 until eventually the delivery of Israel in may well 1948, approximately seventy thousand Holocaust survivors came upon their means out of the DP camps, crossing borders within the lifeless of night, hiking via forests and around the Alps till they reached the key ports in southern France and Italy. " p.4I had by no means considered the plight of these who survived, yet their pain went on for a few years after WWII. Gruber used to be a journalist for the hot York bring in Tribune and the recent York Post. prior to the war's finish she had helped escort one thousand ecu Jews to the U.S. on a mystery challenge for President Roosevelt. So Gruber knew those DPs had no position to reside and they sought after their very own kingdom in Palestine. She Exodus 1947: The Ship That Launched a Nation was once in Haifa while the Exodus 1947, an unarmed send with greater than 4500 Holocaust survivors got here into the harbor. The send were rammed by means of the British army and boarded through them leading to accidents and the loss of life of a few Exodus 1947: The Ship That Launched a Nation on board. Ruth Gruber the trial of Exodus 1947: The Ship That Launched a Nation these aboard the Exodus 1947 as they have

---

been forcibly transferred to a different land and sailed towards Cyprus, the place one other armed camp held those that have been attempting to make it to Palestine. definitely Gruber's writing and images helped tell the area and swayed opinion of the necessity for a Jewish state. I discovered loads from this book, and that i motivate each person that does not understand of this heritage to learn Exodus 1947: The Ship That Launched a Nation the e-book
