# **Fictional Realities/Real Fictions: Contemporary Theatre in Search of a New Mimetic Paradigm**

Mateusz Borowski

the gathering of essays Fictional Realities / actual Fictions. modern Theatre looking for a brand new Mimetic Paradigm tackles the matter of fictionality and fact in modern theatre perform and playwriting. It methods this hotly debated factor in a bigger context of the theories of theatrical and dramatic mimesis. the quantity offers a solution to the newest advancements in performative arts, corresponding to the frequent use of latest media technologies, the recognition of web site particular productions, and the flourishing of assorted post-dramatic different types of expression. The phenomena scrutinized during this assortment name into query the fundamental dichotomy among the fictitious and the genuine on which Fictional Realities/Real Fictions: Contemporary Theatre in Search of a New Mimetic Paradigm the speculation and perform of the Western theatre has been dependent correct from its inception. However, as a result of their super heterogeneous character, they pose a substantial challenge for researchers and teachers, who nonetheless don't discover a largely appropriate method for the research of latest performances and texts for the theatre. Fictional Realities / genuine Fictions units the dialogue of the onset of latest mimetic paradigm in 3 interrelated contexts: the recent perceptual styles solid by way of modern theatre, using media on stage, and the recommendations of modern-day political theatre. The case Fictional Realities/Real Fictions: Contemporary Theatre in Search of a New Mimetic Paradigm experiences provided here, despite their thematic diversity, are subordinated to a unmarried theoretical framework. hence they Fictional Realities/Real Fictions: Contemporary Theatre in Search of a New Mimetic Paradigm prove super Fictional Realities/Real Fictions: Contemporary Theatre in Search of a New Mimetic Paradigm invaluable either for the students investigating the issues of latest theatre, and scholars of theatre and drama. Fictional Realities / actual Fictions deals them a inflexible methodological scaffolding, supported through a couple of illustrative examples from quite a few cultural context and theatre traditions, which provides them a chance to extrapolate from the most argument of the quantity to their very own research.
