Fierce and Tender Men: Sociological Aspects of the Men's Movement

Clinton J. Jesser

This booklet takes the reader on a trip via a few men's land and into a few men's houses. alongside the way in which we glance at even if there's a men's movement; what men's experiences could consist of; the place males have belonged in society via history; the character of men's wounds and pain; femininity and masculinity; men's (boy's) differentiation from their moms and their look for their fathers; and a clean view of guys and sex, fatherhood, and work. Finally, we glance at males coming jointly in men's help groups; amending the wrongs in their past; blessing one another in word, story, ritual, and spirit; and developing tasks that ahead new missions and finish men's isolation from every one other. "Fierce and delicate Men" is critical, analytical, and Fierce and Tender Men: Sociological Aspects of the Men's Movement inspirational, drawing on present learn in gender, on students' perspectives in gender classes, and at the author's personal adventure and his participation in men's paintings over the past 8 years. This Fierce and Tender Men: Sociological Aspects of the Men's Movement booklet confronts, yet doesn't scapegoat, men.
