those tales discover For Solo Voice the historic and emotional dramas which lie underneath the awareness and threaten to erupt into daily life. In "Monday Again", for example, the cruelty meted out to a lady is compounded by means of a story voice which refuses to appreciate what it reports. Tamaro exposes with analytical clarity, spectres of our earlier that abide in us as contributors and as a society, disfiguring our humanity.

L'innocenza che soffre, che muore cos'è? Vorrei chiederlo a tutti quelli che si mettono in ginocchio, che mi rispondessero loro For Solo Voice according to favore. Possono davvero cinque racconti essere al contempo delicati e potenti? Teneri e strazianti? Gioiosi e sconvolgenti? Quelli raccolti in according to voce sola sì. Possiedono tutto: los angeles freschezza del linguaggio, For Solo Voice l'intelligenza e l'uso sapiente della parola, i sentimenti, los angeles fredda descrizione, l. a. cronaca e il passato, los angeles suspense, los angeles sorpresa finale che rovescia tutto. Sono contento di aver conosciuto los angeles Tamaro con questo libro. Mi è "piaciuto" - anche se questo termine, alquanto semplicistico, non rende appieno l'idea di ciò che ora sto provando. Qualche pecca c'è. L'ultimo racconto l'ho trovato di For Solo Voice livello inferiore rispetto ai precedenti, l'ho trovato pieno di spunti filosofici - vedi l'amara citazione riportata qui sopra - ma povero di fatti ed arido di sostanza. Poco importa. Un'infanzia mi ha letteralmente lasciato a bocca aperta; Love pure; e che dire del finale ricco di interpretazioni di Di nuovo lunedì? Con delicatezza e occhi puri los angeles Tamaro è riuscita a ritrarre il dolore childish e giovanile; un dolore che cresce silenziosamente nell'animo, come una pianta di zizzania, e che può portare advert estreme, tragiche conseguenze.
