Neil For the King (Carey Family #5) Carey, a pupil at Cambridge, is pressured to select from King and Parliament within the turbulent days of England's Civil War. For the King or for Parliament? this can be the alternative that confronts younger Neil Carey. His elder brother, Denzil, an ardent Royalist is already at Court, yet Neil's cousin and nice friend, Francis Vaughan, is a robust supporter of Parliament. Neil is For the King (Carey Family #5) reluctant to participate within the Civil War, yet he follows his father in mentioning his help for the King's cause, and with the fiery little soldier, Owen Price, rides off to hitch the Royalist army. Denzil and his stylish pals despise Neil for his loss of inches and his quiet air, yet his braveness and his ability with the small-sword quickly win their respect. yet Neil makes enemies in addition to pals and finally unearths himself sentenced to loss of life on a fake charge, in keeping with the proof of 2 males who despise him. Ronald Welch has written a truly intriguing story of the Civil For the King (Carey Family #5) War, that is given targeted curiosity via his wisdom of army background
