Eric McKade's global crashed the Forgotten Destiny evening he broke Stacy's middle whilst her sister introduced she was once pregnant along with his child. Now, 13 years later, he needs to cover his daughter from the faceless stranger who desires to exchange her lifestyles in for fee of his lifeless ex-wife's debt. What he did not count on was once to come back nose to nose with Stacy because the evening he broke her heart. Somehow, he needs to learn how to settle for that Stacy won't ever forgive him for his evening of betrayal, nor can he disregard the eagerness that also continues to be among them each time he comes close to her. while Stacy first observed Eric, she desired to kill him? She by no means forgave him for his evening of betrayal nor may she forget about her niece who hated every little thing approximately her due to the lies advised by way of her Forgotten Destiny sister. She could not let herself to omit what he had done, Forgotten Destiny nor may well she fail to remember how her center melted while he held her in his arms, and the way sturdy it felt to be kissed by means of him. may possibly she remain tough, even if she discovered the reality of what rather occurred the evening that destroyed every thing Stacy ever wanted.

## Forgotten Destiny
