But if an enormous one does arise - opposed to a boys' staff - she is barred from practicing till the match. She has to play by some means and so she does a rare thing: she disguises herself as a boy and joins The Tigers. To date so good, yet what is going to ensue at the special occasion whilst she reveals herself having to play for either side . . . ? Funny, smart and strangely credible, it is a ebook for all younger soccer fanatics of nine and upwards.
