Gina is a talented non secular counselor, and her presence is a therapeutic strength for all those that come to grasp her and her work. hugely recommended."-Jeff Bronson

This was once the 1st ever Gina Lake publication I learn and that i nonetheless take into account how revealing it was. many of the methods it presents for seeing previous adverse conditioning were necessary instruments that i have used over the years. i discovered the metaphysical information, really approximately detrimental entities and spirit publications to be very clarifying. i have considering that used that wisdom Getting Free: How to Move Beyond Conditioning and Be Happy to show to assist from beings visible and unseen to aid my non secular growth. there are numerous suggestions which i have used considering in treatment and with power healers, a few of which run parallel to Byron Katie's work. The e-book is a brilliant bridge among extra metaphysical teachings approximately subject matters equivalent to dimensions and non-sentient beings and Advaita truths approximately transcending seeming duality. those parts can look contrary, yet Gina does a very good task of unveiling how they're interrelated. A great, finished creation to her work!
