Raymond C. Clark

Getting a Fix on Vocabulary, Using Words in the News: The System of Affixation & Compounding in English repair on Vocabulary The process of Affixation in English, utilizing phrases within the information by: Raymond C. Clark and Janie L. Duncan Levels: Intermediate to Advanced. Secondary to grownup the target of having a repair on Vocabulary is to show scholars to the prefixes and Getting a Fix on Vocabulary, Using Words in the News: The System of Affixation & Compounding in English suffixes, the affixes, and plenty of of the extra universal bases utilized in English. those are defined in an easy and methodical way; each one lesson provides a gaggle of as much as 8 affixes with comparable meanings. universal bases are brought through the classes after which summarized in a thesaurus for simple reference. knowledge of the approach of compounding and affixation and the way it really works and familiarity instead of mastery of this data are the students' goals. First they're given a short clarification of the affixes, after which they do 4 or 5 routines of accelerating difficulty, checking their very own answers. Why use phrases within the News? The final of the routines in every one lesson is a brief, fictitious, yet real looking newspaper article. those brief readings are used for 2 reasons. the themes selected enable the authors to introduce in context a vocabulary wealthy in compounds and affixation and worthy to scholars who are looking to learn information from round the world. those themes differ from strength concerns to politics, from crime to the foreign improvement of peace. the second one reason behind utilizing made-up "news"articles is simply because they're mostly enjoyable to learn and scholars get pleasure from them. Getting a Fix on Vocabulary, Using Words in the News: The System of Affixation & Compounding in English And whilst scholars are having fun with what they're doing, they're extra apt to learn.
