

GREASY RIDER

Two dudes,
one fry-oil-powered car,
and a cross-country search
for a greener future

GREG MELVILLE

Greasy Rider: Two Dudes, One Greasy Rider: Two Dudes, One Fast-Food-Fueled Car, and a Cross-Country Trip in Search of a Greener Future

Greg Melville

Is it attainable to force coast-to-coast with no preventing at a unmarried fuel pump? Journalist Greg Melville is set to try. together with his collage blood brother Iggy driving shotgun, this green-thinking man - Greasy Rider: Two Dudes, One Fast-Food-Fueled Car, and a Cross-Country Trip in Search of a Greener Future who is in love with the belief of unfastened gas - units out on an enlightening highway trip. The quest: to be the Greasy Rider: Two Dudes, One Fast-Food-Fueled Car, and a Cross-Country Trip in Search of a Greener Future 1st humans to force cross-country in a french-fry car. Will they make it from Vermont to California in a beat-up 1985 Mercedes diesel station wagon powered on vegetable oil amassed from eating place grease Dumpsters alongside the way? extra important, can men live to tell the tale 192 consecutive hours together? Their day trip off and on the line comprises visits to the solar-powered Google headquarters; the nationwide Ethanol Council; the wind generators of southwestern Minnesota; the nationwide Renewable strength Lab; a trip to at least one of the 1st homes to obtain platinum certification for management in strength and Environmental layout (LEED); an "eco-friendly" Wal-Mart; and the world's greatest geothermal heating system. Part event and half research of what we are doing (or now not doing) to maintain the planet, Greasy Rider is upbeat, funny, and whole of unusual information regarding sustainable measures which are inside our reach.

Greasy Rider Algonquin Books By Greg Melville Non-fiction 247 pages \$15.95 ISBN-13: 987-1-56512-595-7 In 2008, Greg Melville drove from coast to coast on below one tank of gasoline. How did he do it?, effortless by means of enhancing his used 1980's Mercedes diesel sedan right into a eco-friendly veggie oil burning vehicle. Greg Melville is a contract journalist from Burlington, Vermont, who got down to search for a greener future. He has been released in magazines and newspapers equivalent to Outside, Men's Journal, nationwide Geographic Adventure, and the Wall road Journal. touring over 3,900 miles in a fry-oil automobile is not any effortless task. Greg Melville tells you all of the ups and downs to possessing this kind of eco-friendly machines, and driving shotgun with him through the trip is Iggy, a school bud. He's a convenient pal to convey alongside in this type of trip, being sufficiently strong mechanic, and engineer. in this eight-day trip, they run into each attainable challenge you may with a grease car. From transmission failure to Greasy Rider: Two Dudes, One Fast-Food-Fueled Car, and a Cross-Country Trip in Search of a Greener Future ripped timing belts to blown grease plugs, a 3,900 mile trip is bound to deliver out the simplest and the worst on your car. on the finish of every day, Iggy offers Greg an errand to be accomplished after the journey is over. Greg is going on those errands, searching out the greenest humans and areas in America, every one placed into their very own renewable strength resource category. each one of those errands has to be accomplished three hundred and sixty five days from the day Greg and Iggy go away Google headquarters. If accomplished in time, Greg Greasy Rider: Two Dudes, One Fast-Food-

Fueled Car, and a Cross-Country Trip in Search of a Greener Future will get a grand overall of \$50 from Iggy. they create him everywhere, from the plains of Minnesota to fortress Knox and all over the place in between. the one factor missing is the adventure home. Melville doesn't clarify how he will get again to his family members looking forward to him in Vermont. The returning half the adventure is an important a part of the undertaking to discover a greener future. this can lead you to think it used to be delicate crusing from west to east, yet after examining this book, you'll comprehend why that's impossible. Hilariously funny, and in addition informative concerning the state of affairs our global is in today, Greasy Rider is a needs to read. Exploring a number of eco-friendly options, this publication is one you can't positioned down until eventually the end. He brings you thru his each emotion, from the awkwardness of asking a Mexican eating place shop supervisor for a few oil to the triumph of feeling the nice and cozy California sunlight on the Google headquarters in Berkley. Greasy Rider is a gorgeous booklet for everyone at the very least thirteen years outdated or more. nice for all ages, yet a lot of the comedy infused within the interpreting may well pass over one that reads it too young. it really is perfect booklet for teenagers, yet nice for everybody older. Inspiring and funny with proof combined in, Greasy Rider is an ideal ebook in your summer season days off.
