# Hieroglyphical Figures: Concerning Both the Theory and Practice of the Philosophers Stone

Nicholas Flammel

Which He triggered to be Painted Upon an Arch in St. Innocents Church backyard in Paris. basically a hundred copies of this elusive e-book have been ever revealed previously advent through W.W. Westcott. Flammel used to be one of the main beautiful figures in alchemy. simply because he mastered the artwork of alchemy, his large wealth and charities passed whatever identified in his time. Contained during this fluctuate infrequent publication is the symbolism and allusions to the interior meanings contained in the strong symbols that yielded their historic secrets and techniques to him. Many alchemists insist that this is often the most very important alchemical works ever written. lengthy out-of-print, it is reprinting will fulfill the craving for these looking the Philosopher's Stone. (Due to the age and shortage of this infrequent book, a few of the pages are mild even supposing the textual content is readable.
