

How New York Stole the Idea of Modern Art: Abstract Expressionism, Freedom, and the Cold War

Serge Guilbaut

"A provocative interpretation of the political and cultural heritage of the early chilly struggle years. . . . by means of insisting that art, even artwork of the avant-garde, is a part of the overall culture, now not self sufficient or above it, he forces us to imagine another way not just approximately artwork and artwork heritage yet approximately society itself."—New York instances booklet Review

How New York Stole The Idea Of Modern Art Abstract Expressionism Freedom And The Cold War
