So - i am not going to tug any punches here. it is a bad book. it truly is mean-spirited. If it is satire, it is not very funny. if you happen to took the fictional, awful, hateful, stereotypical, man-hating, sour feminist and requested for a e-book on astrology and why males suck, this is often what you would anticipate to get. There aren't any optimistic aspects of guys during this book. None. it's thoroughly one-sided. i feel it is a negative e-book to also have out there; such things as this are what humans aspect to and say "See? Feminists hate men!" The chapters are geared up as follows: "The [sign] bastard" (3-4 web page description that is painful to read) "How to identify one" (2 sentence stereotype) "Where to discover one" (2 sentences) "How to intrigue one" (short paragraph) "The first How To Spot A Bastard By His Star Sign date" (shorter paragraph) "When to do the deed" (two sentences) "When to pop the question" (never. it is usually a few model How To Spot A Bastard By His Star Sign of never) "If he dumps you" (two sentences announcing you are larger off) "If you sell off him" (two sentences additionally announcing you are larger off) do not waste cash in this book.
