extraordinary photographs. The images, followed by way of Blount's dog poetry, with the "canine degree someplace among ordered and free," make this booklet a satisfaction for puppy fans and, till canines learn how to talk, the right way to comprehend the "inner puppy" in all of them.

I enjoyed this book. I picked it up from the library within the "newly arrived" section, and it truly is an lovely number of pictures with short, pleasant poems. I so favored the poems. My wager is the guy who wrote the poems rather is familiar with his puppy breeds. i am pondering i'm going to provide this booklet as a Christmas present to a dog-lover on my list. I enthusiastically suggest this book... it is going to carry a grin for your face. :)
