Soon, Sherry's as much as her elbows in meringue and buckets of coffee, pounding the pavement like a typical ol' sleuth until she's obtained blisters on her feet. Who's attempting to kill the rhinos and why? Will she be capable of discover in time to avoid wasting

them? Will her directionally challenged mom have the capacity to locate her to allow them to interact as she promised? Can she believe Junie together with her secret? And what approximately Josh?
