Ich sehe was,
was du nicht siehst

Ich sehe was, Ich sehe was, was du nicht siehst was du nicht siehst by Birgit Vanderbeke

Birgit Vanderbeke

Manches bleibt aus Kindertagen ja doch hängen: die Geschichte von Janosch "O wie schön ist Panama"-Bär und -Tiger brechen zu einer Entdeckungsreise auf, laufen im Kreis, kommen zu Hause wieder an und sehen plötzlich alles mit anderen Augen: Wie schön ist dort doch alles. "Ich sehe was, was once du nicht siehst" -- auch aus alten Tagen, ein Kinderspiel und: so ein bißchen die Janosch- Geschichte für die Erwachsenen, denn ums Weggehen und Ankommen geht's auch hier. Die Handlung ist alles andere als spektakulär: eine Frau beschließt gemeinsam mit ihrem Sohn, einem grünen Nilpferd und einem Hund aus Deutschland wegzugehen, erst "ein bißchen", und dann so "richtig". Sie landen in Südfrankreich. Die spärliche Handlung ist nur das Netz, über dem sich in abenteuerlicher Vielschichtigkeit Gedanken, Überlegungen, Gefühle und Erwartungen geradezu artistisch immer nur um das eine Thema drehen: "Ich sehe was, used to be du nicht siehst". Da ist der Wechsel der Perspektive durch den Umzug, das ehemals Gewohnte wird plötzlich anders gesehen und empfunden, das Neue rückt ins Zentrum, aber Ich sehe was, was du nicht siehst auch das ist dann wieder nur "relativ". Abschied und Trennung von Althergebrachtem bedeuten Angst und Unsicherheit, bringen aber auch die Erkenntnis " ...daß ich niemals darüber nachgedacht hätte , wenn ich nicht weggegangen wäre". Da ist die versteckte Liebeserklärung an die Kunst van Goghs, die Sehnsucht nach dem Süden, wo nicht nur van Gogh lange gesuchten Farben fand, mit denen er so unverwechselbar malte, sondern auch für Birgit Vanderbekes Hauptfigur die Sterne zunächst aussehen wie von Künstlerhand geschaffen. Wo van Gogh seinen Stil einst zur Vollendung brachte -- angekommen struggle -- dort findet sie ihr Leben und ihre Liebe, ohne wenn und aber, wie selbstverständlich. Und da ist auch das alte Kinderspiel auf politischer Ebene: Ich sehe was, was du nicht siehst "Immer wollte der Osten der Westen sein, und dann conflict er es, Ich sehe was, was du nicht siehst und als er es war, wollte er es Ich sehe was, was du nicht siehst nun plötzlich doch nicht sein wegen der Mieten und Arbeitslosen, und der Westen mochte den Osten nicht haben wegen der Krankenkassenreform und der Steuern und Ich sehe was, was du nicht siehst wegen der komischen Einkaufsbeutel, die sie dort einfach weiterbenutzen...". "Ich sehe was, was once du nicht siehst", one hundred twenty Seiten voller Alltags- Situationen, erlebt aus sich ändernden Perspektiven von einer klugen und empfindsamen Frau, der Birgit Vanderbeke das ihr eigene expertise verleiht, jeden Gedanken bis in die letzte Faser zu Ende zu denken. Alltagssituationen, die auch durch die einfache, klare und präzise Sprache, den ja schon bekannten Vanderbeke-Stil, im ersten second profan und austauschbar erscheinen, dann aber doch voller Emotionalität und Entwicklung stecken und immer wieder Abschied und Ankommen heißen (400). Ein Thema mit vielen Variationen, eine Lektüre mit Langzeitwirkung und auch dem plötzlichen Bedürfnis, das alte Kinderspiel aufs eigene Leben zu übertragen, die eigene Blickrichtung zu überprüfen und das eigene Sehen vielleicht ja dabei ganz neu zu entdecken. Sicher ist das nicht immer ein Kinderspiel. In einem Interview sagte Birgit Vanderbeke einmal "Meine Frauen kommen durch und gewinnen immer" -- das trifft auch auf die neuste Erzählung zu, die sicherlich nahtlos an ihren letzten großen Erfolg "Alberta empfängt einen Liebhaber" anknüpfen wird. --Barbara Wegmann

Certe coincidenze fanno paura. Li chiamiamo coincidenze, ma forse sono semplici risposte che arrivano al momento giusto. Pensavo a questo dopo aver letto los angeles descrizione del libro, puntualissima. Nella vita accade sempre, una o più volte, che tu rifletta sul fatto che forse è il caso di andare via, mollare tutto e andare via. Oppure ne puoi essere anche costretto, dopo che i limiti vengono superati, according to lasciare il posto advert altri limiti. C'è pur sempre los angeles Ich sehe was, was du nicht siehst paura di una scelta definitiva, I. a. domanda infinita sul tuo futuro; e può essere I. a. scelta giusta o quella sbagliata. E può essere un pensiero che già l'indomani vola via, o una decisione ferma, convinta. Può capitare a me, può capitare a te, capita a chiunque. Lei vuole partire, vuole cambiare aria, perché ormai tutto sa di stantio, I. a. casa, le relazioni, I. a. città e le abitudini, anche bizzarre. Ma aspetta. Aspetta qualcun altro e qualcos'altro. È costretta advert aspettare, dalla paura, così come sarà costretta advert andarsene consistent with fuggire a uno sfratto. Una donna che lavora in radio, nelle sue rubriche parla di arte spiegata ai bambini. Con lei un bambino che non sa le tabelline, e desidera tanto un cane, e non gli importa dove andrà, purché abbia un cane. Là fuori a brand new York anche il marito si occupa d'arte, controlla se i quadri son veri o falsi. L'arte los angeles inseguiranno sempre, anche quando si ritroveranno finalmente oltre confine, un po' più a sud. Dalla Germania ancora divisa, alla Francia con meno divieti. Un nuovo mondo, e nuove cose Ich sehe was, was du nicht siehst da vedere, da fare. Dalla città a un piccolo paesino con le sue strambe tradizioni, di cui alla tremendous si finisce in line with innamorarsene. Tutta quella natura incontaminata e quel "tanto cielo in una sola volta"; tutto quello che I. a. natura può dare, sempre di più di quanto possa dare in un luogo urbanizzato. Da un appartamento a una casetta che scricchiola quando piove, scricchiola quando c'è vento, scricchiola quando fa caldo, scricchiola sempre. Ancora senza allaccio telefonico, e senza gas. Ci si adopera in step with riscaldarsi, raccattando legname nel bosco attiguo, e così ci si adopera in keeping with tutto. Scopre tantissime cose, piccole cose: le chiacchiere con i vicini che poi così vicini non sono; il rito dell'aperitivo di cui non conosceva neanche l'esistenza; il giardinaggio; los angeles raccolta; il mercato caotico, con urla e schiamazzi; e tutti i colori della natura, in particolare quelli amati da Van Gogh. Dice a un tratto: "Compresi che fino a quel momento avevo trascorso gran parte del mio pace a miles finta di non vedere cose che avevo visto, e che con tutta probabilità, da quel momento in poi, avrei trascorso gran parte del mio pace a fare l'inverso in keeping with riuscire nuovamente a vedere cose sfuggite al mio sguardo. Ci vollero diversi giorni prima che riuscissi a vedere nuovamente (...), e quando ci riuscii, mi resi conto di essere andata through in line with davvero e che non è facile andare via, che anzi l'andare through dura molto a lungo, perché ci si portano dietro molte cose che si sarebbe preferito non vedere, cose che poi tentano di cancellare le cose che invece si vorrebbero vedere, ed period strano, rendersene conto all'improvviso e non avere ancora un telefono consistent with raccontarlo subito a René." Non è forse così according to tutti? Chi ha viaggiato lo può ben dire, se solo ha avuto il pace di fermarsi a rifletterci su, magari al rientro. Chi invece si è spostato definitivamente ormai ci ha fatto l'abitudine a quel "vedere nuovamente", che ormai ricomincia a dare tutto in step with scontato. Però se il "dare tutto according to scontato" piace, allora non importa. Ich sehe was, was du nicht siehst A lei piace, a loro piace, e ora che hanno visto nuovamente tutto, questo tutto è più bello.
