# **Imperial Ecology: Environmental Order Imperial Ecology: Environmental Order in the British Empire, 1895-1945 in the British Empire, 1895-1945**

Peder Anker

From 1895 to the founding of the United Nations in 1945, the promising new technological know-how of ecology flourished within the British Empire. Peder Anker asks why ecology accelerated so quickly and the way a handful of influential scientists and politicians validated a tripartite ecology of nature, knowledge, and society.

## **Imperial Ecology Environmental Order In The British Empire 1895 Imperial Ecology: Environmental Order in the British Empire, 1895-1945 1945**
