
In Search of El Dorado by Harry Collingwood

Harry Collingwood

"Warning! -- from In Search of El Dorado the S.S. "Bolivia," New York-Liverpool. simply cleared huge quarter such as indifferent lots of box ice, with a number of bergs, wherein we've got been operating for the final 3 hours. Very dangerous: suggest ships to watch utmost caution, really at nighttime." "He was once status on the piano warbling "Dear Heart" to the doctor's accompaniment . . . whilst the court cases have been without warning interrupted by way of a jolt -- it used to be scarcely critical adequate to benefit the time period "shock" -- immediately through a perceptible lifting of the ship's bows and a mild directory to starboard. The ship's smooth, steady, gliding development gave option to a fast succession of jerks, observed through a rending sound particularly audible within the useless silence that unexpectedly fell upon the party. Then the bows of the send have been felt to dip, and her stern to rise, whereas her velocity slackened so by surprise that those that have been status merely retained their footing with difficulty!" "When the largest and quickest send in Transatlantic service, the "Everest," moves ice on its maiden voyage, males locate themselves forged adrift on an ice-floe -- beginning them on a chain of adventures that may span continents, and prove major them to an remoted and mythical urban of Gold!

This ebook is beautiful jaunty. it's also contrived, episodic, ostentatious, uber-masculine, trigger-happy, and racist. Collingwood can definitely flip a phrase. His vocabulary is impressive, and his sentences should be tricky with out being confusing. yet he makes use of almost about each cliché of the jungle event genre, together with cannibals, murderous apes, dinosaurs, misplaced tribes, a urban of gold, a tamed black panther, a personality being unsuitable for a god, ventriloquism, an emerald mine, and man-eating plants. And to best it off, the radical starts off with our heroes on an "unsinkable" ocean liner that sinks after outstanding an iceberg.
