## In at the Deep End (Notting Hill Mystery #2)

Anabel Donald

Alex Tanner has learned adequate mysteries to grasp that her most recent case as a personal investigator has the entire trappings of an English classic: Rissington Abbey, an particular boarding school, a mysterious headmaster, and a drowned student. yet it is her ability - and her In at the Deep End (Notting Hill Mystery #2) conceal - as a tv researcher that is helping her discover what fairly occurred whilst the younger boy died as she sifts during the conflicting tales of students, teachers, parents, and an area journalist, who deals a few recommendation and an opinion of Rissington Abbey: "I'd name it evil." In her personal headstrong, headlong way, Alex learns this for herself, now not a minute too soon.

an engaging diversity of characters, a secret to unravel and a few very humorous lines. I hadn't learn the 1st within the sequence however it did not subject - this stands alone. a feminine deepest investigator who additionally works as a television researcher units out to determine the mind set of a tender guy sooner than he drowned. It was once rather well written however it fell down a bit for me at the curiosity half - i might have beloved the ebook to were longer and extra certain however it used to be a short learn and i might learn extra via this author.
