from the Diary of a Whale Watcher

ALEXANDRA MORTON

In the Company of Whales by Alexandra Morton

Alexandra Morton

via diary entries, notes In the Company of Whales and photographs, within the corporation of Whales explores Alexandra Morton's efforts to higher comprehend the conduct and behaviors of the killer whale off Canada's west coast. As a desirable advent to the lifetime of a scientist operating within the field, the booklet will entertain and encourage readers younger and old. After fourteen years of learning Orca within the wild, Morton keeps to please within the problem provided through those remarkable mammals.

i used to be so enthralled by means of Morton's 2002 e-book that i needed to determine what she chosen for younger persons. This book, a diary is well performed with lots of first-class info and an sufficient collection of pictures. She concentrates at the naming and care of the whales, the diversities among the groups, and her courting with them. She offers adequate information

regarding the technology to make it beneficial for lecture room use.
