

Indian Country: Sacred Ground, Native Peoples

John Annerino

within the land inhabited for millennia by means of the Hopi, Navajo, Pápago, and Apache—and with the aid of local leaders, who guided him to hallowed, mystery Indian Country: Sacred Ground, Native Peoples places—Annerino scaled 13,000-foot mountain summits and descended into shadowy caves; he traced the footsteps of mythical warriors to granite strongholds and traced the handprints of historic ancestral shamans on cliff walls. alongside the way in which he chronicled his brilliant pilgrimage, taking pictures in notable images Indian Country: Sacred Ground, Native Peoples and evocative phrases an international that few people were privileged to glimpse, not to mention partake in. Many of the lofty spires, towering monuments, and deep canyons that Annerino explored through the nice Southwest are time-honored websites from Hollywood westerns and are sought out by means of avid climbers. yet those websites are sacred flooring to local peoples, and it truly Indian Country: Sacred Ground, Native Peoples is

that commemorated identification that Annerino skilled and conveys in Indian Country. His pictures and Indian Country: Sacred Ground, Native Peoples essays pull again the curtain on a undying international and exhibit the various mysteries to be came upon within.
