Interfaces in High-Tc Superconducting Systems

Subhash L. Shindé

as the new high-temperature superconductors can't be grown as huge unmarried crystals, interfaces and junctions play an immense function of their properties. The chapters Interfaces in High-Tc Superconducting Systems during this book, each one by way of prime researchers within the field, research the country of our figuring out of such interfaces. Chapters hide such issues as reports of YCBO movies by means of transmission-electron, scanning-tunneling, and atomic-force microscopy; microstructure, interfacial interactions, and dual boundary buildings in YCBO films; grain-boundary Josephson junctions; and overlay formation.

Interfaces In High Tc Superconducting Systems
