# Interpreting Law and Literature: Interpreting Law and Literature: A Hermeneutic Reader A Hermeneutic Reader

Sanford Levinson

From the Preface: "Contemporary conception has usefully analyzed how replacement modes of interpretation produce diverse meanings, how Interpreting Law and Literature: A Hermeneutic Reader analyzing itself is constituted by means of the variable views of readers, and the way those views are in flip outlined via prejudices, ideologies, interests, and so forth. a few theorists gave argued persuasively that textual meaning, in literature and in literary interpretation, is established through repression and forgetting, via what the literary or severe textual content doesn't say up to via what it does. most of these claims are at once suitable to felony hermeneutics, and hence it really is no shock that criminal theorists have lately been turning to literary concept for power perception into the translation of law. This selection of essays is designed to symbolize the specially wealthy interactive that has taken position among criminal and literary hermeneutics prior to now ten years."
