# Jesus: Prophet of Islam by Muhammad 'Ata' ur-Rahim

Muhammad 'Ata' ur-Rahim

First released in 1977, Muhammad 'Ata ur-Rahim's vintage textual content examines Jesus as a prophet instructing the team spirit of God, and the old cave in of Christianity because it deserted his teaching. Now revised by way of coauthor Ahmad Thomson, the publication sketches the dramatic photo of the unique fans of Jesus who affirmed Unity, displaying how "Christianity" turned the fiction that changed their truth. A wide-ranging examine that covers the Gospel of Barnabas, the Gospel of Hermes, the shepherd, early and later Unitarian Christians, and Jesus within the gospels and within the Qur'an and hadith, Jesus: Prophet of Islam argues persuasively that the belief of Jesus as a part of a trinity was once a Greek pagan notion followed by way of early Christian missionaries to achieve converts one of the Greeks, and didn't develop into a broadly authorised Christian doctrine till Jesus: Prophet of Islam after the Council of Nicea in 325 A.D.

For any Christian the subsequent perspectives might sound too-challenging." Jesus: Prophet of Islam exhibits us how the "true" Christian educating used to be diverted, or one may possibly say de-railed, through the robust Pauline explosion." I've lately watched a reportage by way of ITV on "The Muslim Jesus". primarily (through interviews, Ahmad Thomson was once half of, more often than not within the London area), you're ended in ponder that: (1) so Jesus: Prophet of Islam much of Muslims do think in Jesus; he's pointed out within the Koran at the Jesus: Prophet of Islam least 154 times. (2) yet in a few cases of the lifetime of Jesus there's a unique account/narrative at the individual all through his life: birth, family, ...crucifixion etc. That is, a few imagine that "Christian groups replaced the [true] narrative". "The moment vital point during this booklet is its profound assertion of the way the 'fiction' of Christianity was once invented". Many agree he used to be an easy man, owning not anything that relevant, yet a "robe...a bowl and ...a comb"; tales even inform that he gave away either the brush and the bowl. "Lentulus, a Roman official, defined Jesus as follows: He has nut brown hair that's smoothed right down to the ears, forming delicate curls and flowing onto his shoulders in luxuriant locks, with a parting within the centre of his head after the style of the Nazarenes. A soft transparent forehead and a reddish face with out spots and wrinkles. Nose and mouth are flawless. He bears a whole sumptuous beard that's a similar color as his hair and is parted within the middle. He has blue-grey eyes with an surprisingly various potential for expression. he's of medium height, fifteen and a part fists tall. he's joyful in seriousness. occasionally he weeps yet nobody has ever visible him laugh. A Muslim Tradition, however, paints a marginally diverse picture. According to this source: He used to be a ruddy guy susceptible to white. He didn't have lengthy hair. He by no means anointed his head. Jesus used to stroll barefoot, and he took no house, nor adornment, nor goods, nor clothes, nor provisions, other than his day's food. His head was once saggy and his face used to be small. He used to be an Jesus: Prophet of Islam ascetic during this world, eager for the following global and longing for the worship of God. (Ath-Tha'labi). The Imam of north London valuable Mosque, Ahmed Saad, reiterates that Jesus/Issa used to be the son of Mary. at the divergence Jesus: Prophet of Islam side; although Mary had an immaculate perception of Jesus and Gabriel introduced the beginning to her, there has been no position for Joseph, and no manger, no sturdy ...rather: the delivery happened below a tree within the desert. "The angel

blew into Mary and he or she conceived” Mary (a image of purity) was once by myself yet comforted thereafter via the looks of a rivulet within the beginning spot. The Jesus: Prophet of Islam angel imposed her silence. Jesus as a child talked very prematurely: that was once his very 1st miracle. He remodel Jesus: Prophet of Islam clay into flying birds. Surely the similarity of Jesus with God is just like the similarity of Adam. - He created him from dust, and then acknowledged to him: 'Be!' Jesus: Prophet of Islam and he is. (Qur'an 3.59). one other difference: the crucifixion. a few say that “he was once no longer killed and crucified”. Judas as an alternative took his position at the cross; angels took Jesus to heaven. So, during this vein, he didn't resurrect. Muslim Jesus: Prophet of Islam “true” narrative continues: he'll come as a prophet on the finish of times. there'll be a time of oppression, of the Anti-Christ, the “impostor”, the deceiver...who, upon seeing Jesus, will “dissolve”. Curiously and finally, no longer excellent news for entrenched Christians. Ultimately, they're going to need to convert to Islam. It used to be acknowledged within the interview that close to the tomb of the prophet (Mohamed) there's an empty house reserved to Jesus. “If you must keep on with me Jesus: Prophet of Islam you'll need to stick to Mohamed”. If the final Day comes upon you if you are planting a tree-finish planting it. And the tree we're planting is Islam. Shaykh´ Abd al-Qadir as-Sufi al- Murabit
