# Jewish Spirituality: Revitalizing Judaism for the Twenty-First Century

Lewis D. Solomon

once we take into consideration Judaism, we regularly specialise in mechanical repetition and cookbook-like observances and rules. Yet, in keeping with writer Lewis D. Solomon, the ceremonies, rituals, and all of the accompanying ideas and rules are the byways of Judaism, now not its highways or its essence. For many, the ceremonies and rituals, even supposing designed to open and contact the religious size of existence, frequently block their religious lifestyles and vitality. Jewish Spirituality: Revitalizing Judaism for the 21st Century deals the imaginative and prescient of a personal, intimate adventure of a residing God because the resource of health, joy, love, abundance, and wholeness. it's designed to aid us meet and surmount our day-by-day difficulties in addition to the crises all of us face in dwelling and, ultimately, in dying. actual to its useful orientation, Jewish Spirituality makes a speciality of an method of dwelling that's liberating, promotes and unfolds our internal human possibilities, and is helping us detect our optimum self in addition to these of others round us."
