OLD TESTAMENT GUIDES

Jonah and Lamentations by R. Salters

R. Salters

whereas the booklet of Jonah is, in a few ways, unique, it stands firmly within the outdated testimony tradition. there were numerous feedback as to genre, the main most likely being the (short) didactic Jonah and Lamentations story; however the objective of the writer isn't effortless to discern. The authenticity of Jonah's message to the Ninevites is stressed, as is their repentance, and Yahweh's mercy. the aim of the ebook needs to lie in a mix of those themes. Lamentations is a ignored book, might be since it used to be linked to the Jonah and Lamentations booklet of Jeremiah and regarded nearly as an appendix. at the query of style it has the nearest affinities with the psalms of lament; but, while it's very tough to hyperlink a psalm with a selected ancient occasion or period, the 5 chapters of Lamentations seem to have the autumn of Jerusalem as background. whereas gloom abounds, the cautious reader discovers the religion of the writer shining through. he's a "practical monotheist" who translates Jonah and Lamentations the catastrophe of the autumn of Jerusalem within the gentle of his faith.
