# Judge Dredd vs. Aliens: Incubus by John Wagner

John Wagner

The tenacious pass judgement on Dredd, upholding the legislations in a deadly, radioactive future, has confronted every little thing from mutants to supernatural possessions...but can he, a bunch of judges, and the elite workforce referred to as the Verminators fend off an infestation of the deadly, acid-drooling Aliens? dealing with their most deadly enemies yet, it really is lawmen as opposed to nature's top killing machines in a bloody conflict to maintain the great city of the longer term from changing into a hideous breeding ground!

i am not a 2000AD fan, nor am i able to frequently stand the Alien comics yet i used to be shocked on the caliber of this. now not a classic, yet there is many worse how one can spend your time.
