A lovely, attractive book. It's a vintage bedtime tale learn for our more youthful young children all yr round. There is a timelessness to the tale and the illustrations, and Just in Time for Christmas as a rule whilst i am examining it, there's the barest trace of a seize in my throat on the story's excellent resolution. I have a number of copies stashed away in my distinctive reserve; our present one is changing into so love-worn that it will desire exchanging because the pages begin to fall out.
