Kekionga!: The Worst Defeat in the History of the U.S. Army

Wilbur Edel

After nearly centuries of on-and-off resistance to white encroachment on Indian lands, a band of Ohio Indians attacked and nearly destroyed the military of the newborn USA. The conflict for the Indian village of Kekionga, unmentioned in any heritage textbook, surprised President Washington and Congress and provoked either a transformation in army coverage and the 1st legislative research of an govt division less than the Constitution. This historical past of the family among local American citizens and EU settlers, mostly through the Kekionga!: The Worst Defeat in the History of the U.S. Army colonial and innovative periods, specializes in the conflict of 2 very diverse civilizations within the fight for regulate of the land. It additionally units in global standpoint the savagery of the French and Indian Wars, getting rid of the parable that brutally inhumane remedy of the enemy used to be attribute basically of Indian combating methods. Next to the Indians' suppression after Kekionga, govt and personal indifference to Indian rights and gross mistreatment persevered Kekionga!: The Worst Defeat in the History of the U.S. Army till the final region of the twentieth century.
