Krazy Kat: The Comic Art of George Herriman

Patrick McDonnell

favourite cartoons from the Krazy Kat comedian strips.

En principio, resulta insólito. Hasta idiota. Una tira cómica que extiende hasta el infinito el eterno triángulo: porque A ama a B, B ama a C y C detesta a A y odia (aparentemente) a B. Pero en el universo singular y específico del norteamericano George Herriman (1880- 1944), esta aparente comida de errores se transforma en una obra delirante, divertida y profundamente crítica. A es Pupp, un perro policía, un grave guardián de los angeles ley y el orden, que está perdidamente enamorado de B, que es Kat, un gato extraño (Herriman nunca clarificó de qué sexo era, lo que ha provocado cierta polémica, por el homosexualismo que implicaría, según algunos), soñador e ingenio, que ama intensamente a C, una rata perversa llamada Ignatz que no para de arrojarle ladrillos a I. a. cabeza en cuanto se presenta los angeles más mínima ocasión. Esto produce que el perro policía lo mande a prisión (si lo descubre). Sólo para escaparse de nuevo para... lanzarle ladrillos a Kat, para quien, esto es una profunda prueba de amor. Los tres personajes principales parecen disfrutar su continuo sadomasoquismo, invirtiendo Herriman los angeles cotidiana situación de perro odia a gato, gato odia a ratón y el ratón como víctima siempre (una característica que será tomada luego en Krazy Kat: The Comic Art of George Herriman muchas caricaturas como Tom y Jerry, Ren y Stimpy e Itchy y Scratchy, por citar algunas). Herriman tenía una afición para realizar tiras cómicas excéntricas, generalmente con personajes que tenían una cierta Krazy Kat: The Comic Art of George Herriman fobia o manía y los angeles llevaban hasta sus últimas consecuencias. Krazy Kat aparecía bajo I. a. tira cómica: los angeles familia Dingbat, que estaba obsesionada con ruidos bajo su piso, que eran justamente provocados por Krazy e Ignatz, quienes debutarían en 1913 con una tira propia, I. a. que se mantendría hasta I. a. muerte de Herriman. Esto resultó en un universo realmente especial y único que no pudo ser continuado luego de Krazy Kat: The Comic Art of George Herriman los angeles muerte de su creador como ha pasado con otras tiras cómicas como Peanuts o con los diseños de Disney. Herriman comenzó el Krazy Kat: The Comic Art of George Herriman camino de los universos realmente personales en el mundo del comedian como Dave Dim con Cerebus o invoice Waterson con Calvin y Hobbes. Parece una broma cruel. El mejor representante en comedian de una "shaggy-dog story" (una historia aburrida que no termina jamás, es los angeles traducción más Krazy Kat: The Comic Art of George Herriman precisa). Pero de aburrida esta tira cómica no tiene nada. Al trío valuable se agrega el extraño hábitat, el condado de Coconino, mezcla de desierto de Arizona, con huracanes ocasionales, donde podemos encontrar los tradicionales vendedores americanos de puerta en puerta a principios de los '30, santones hindúes, una cigüeña fanática (Joe Stork) con su paquete y su correspondiente bebé del cual todos huyen, una señora entrometida y chismosa (Sra. Cuacua), fabricante de ladrillos Kolin Kelly (que mantiene esta historia entregando un aprovisionamiento infinito de ladrillos a Ignatz) y varipintos personaes en los angeles tradición de Herriman, como un osito ecuatorial (en uno de los Krazy Kat: The Comic Art of George Herriman episodios más divertidos). I. a. influencia de Krazy Kat es vastísima: en autores como Walt Disney o invoice Waterson, entre otras características por el específico y riquísimo utilización del lenguaje cinético, el hecho que el segundo plano jamás es igual) y

comprende l. a. utilización de viñetas únicas. Herriman adquiere más confianza a lo largo de los años y comienza a hacer las cosas a su manera: rompe las convenciones como l. a. utilización de cuadros clásicos para rápidamente realizar una sola viñeta que ocupa toda l. a. página. Otra cosa es l. a. utilización remarcable del lenguaje para caracterizar a sus personajes, por ejemplo Krazy habla en un dialecto Brooklyn extrañísimo (era que no) y Pupp emplea un lenguaje rimbombante, como para indicar su posición de autoridad (aunque paradójicamente nadie lo respete). Krazy Kat fuera del mundo del comedian ha producido también admiración, produciendo comentarios, estudios y ensayos de autores tan importantes como Calvino, Kerouac y ee. Cummings, entre otros. Si bien en español solamente se han publicado dos antologías de l. a. numerosa producción de herriman (recordamos que son cerca de 30 años de producción Krazy Kat: The Comic Art of George Herriman de tiras cómicas dominicales) donde los angeles dificultad al momento de l. a. traducción ha jugado un issue importante. Nos acordamos de una serie que fue exhibida que no contaba con los angeles aprobación de los herederos de Herriman porque Krazy aparece definitivamente como una gata: l. a. Gata Loca). A mi parecer es una de las pocas tiras cómicas que merecen sin lugar a discusiones, el nombre de clásicos y se pueden leer como un easy divertimento, una trágica historia de amor, una crítica profunda a l. a. sociedad y lo que es mejor, todo Krazy Kat: The Comic Art of George Herriman a l. a. vez. À mon avis il est une le de peu de bandes comiques qui méritent sans lieu à discussion, le nom de de classiques et qui peuvent se lire comme un uncomplicated divertimento, une tragique histoire d'amour, une critique profonde à Krazy Kat: The Comic Art of George Herriman los angeles société et ce qui est mieux, tout à los angeles fois.
