Goliarda Sapienza

Romanzo postumo di Goliarda Sapienza (1924-1996), L'arte della gioia è il racconto di una vita intera di coraggio, in compagnia di una fantastica famiglia di personaggi, attraverso le peripezie del più drammatico Novecento. Ma strong point di una genialità primaria che viaggia sempre a ridosso della criminalità, seguendo solo l'intelligenza delle cose, approda a ciò che tutti cerchiamo: los angeles gioia.

L'arte della gioia è un libro che fa girare l. a. testa, che lo leggi e advert ogni pausa tiri il fiato, frastornata. L'arte della gioia è un libro che bisogna leggere, ché se non lo fai ti manca un pezzo, perdi qualcosa di importante. È un torrente di parole che travolge, e ti trascina, e sei dentro al libro come sempre dovrebbe succedere. E sei con i personaggi, tutti, e vorresti conoscerli, parlarci, viverci. Sei con Modesta. Modesta che ha status di Vita, di Parole, di Gioia, di Amore L'arte della gioia e di Libertà, e non china los angeles testa, mastica i giorni e gli anni senza posa, cerca, trova, scarnifica gli eventi, costruisce in keeping with sé e according to gli altri quello che l. a. sua mente desidera. Applica los angeles coerenza al pensiero che si fa azione. Scava Modesta, dentro di sé, dentro gli altri e dentro los angeles Storia. E finisci according to scavare anche tu che leggi, negli stessi posti. E di più. Modesta che si libera, spezzando una catena dopo l'altra, frantumandole alla radice. Modesta, che è nata nel 1900 ed è facile fare il conto dei suoi anni. Modesta che vive al ritmo di una musica nuova, caparbia, futuribile. Modesta. [...] Ora poi che le scriveva le parole lì sul bianco della carta, nero su bianco, non le avrebbe perdute più, non le avrebbe dimenticate più. Erano sue, L'arte della gioia solo sue. Le aveva rubate, rubate a tutti quei libri in keeping with bocca di madre Leonora. [...] Modesta. [...] L'arte della gioia Impensatamente quell'emozione di odio – che loro dicevano peccato – mi diede una sferzata di gioia così area of expertise che dovetti stringere i pugni e L'arte della gioia le labbra according to non mettermi a cantare e a correre. [...]: l. a. odio, los angeles odio, los angeles odio, gridai dopo essermi assicurata che l. a. porta fosse ben chiusa. l. a. corazza di malinconia si staccava a pezzi dal mio corpo, il torace si allargava scosso dall'energia di quel sentimento. [...] Modesta. [...] Ma fissando me stessa vidi il mio futuro: presa in quel tranello, le gambe spezzate dalla trappola "d'essere qualcuno". Sfuggito il convento, l. a. religiosità buttata dalla finestra rispuntava da qualche buco della mia stanza cavalcando il topo dell'estetica. [...] Messaggio del mio profondo di secoli, m'avvertiva di stare in guardia da me stessa e correre al sole. Non avrei più ripreso quella ricerca di poesia finché L'arte della gioia non avessi avuto l. a. prova da me stessa che period un gioco e solo un gioco [...] Modesta. [...] Fra venti, trent'anni, non accusate l'uomo quando vi troverete a piangere nei pochi metri di una stanzetta con le mani mangiate dalla varechina. Non è l'uomo che vi ha tradite, ma queste donne ex schiave che hanno volutamente dimenticato los angeles loro schiavitù e, rinnegandovi, si affiancano agli uomini nei veri poteri. [...] Modesta. [...] E nation attenti perché di questo passo quando le donne si accorgeranno di come vuoi uomini di sinistra L'arte della gioia sorridete con sufficienza paternalistica L'arte della gioia ai loro discorsi, quando los angeles tua Amalia si accorgerà di non essere ascoltata e di fare due lavori

sfinendosi davanti ai fornelli e in laboratorio – perché non mi parli mai del lavoro di Amalia, eh? Perché devo sentire solo quanto è dolce, carina o gelosa? – quando si accorgeranno, los angeles loro vendetta sarà tremenda, [...]E una scrittura che non avevo letto mai. Capace di alternare prima e terza character come non credevo si potesse fare, giocando con los angeles prospettiva della narrazione, il guardare, il guardarsi, il lasciarsi guardare, entrare e uscire da sé, e di muoversi tra passato presente futuro con una fluidità che da al testo los angeles forza dell'annullamento del qui e ora dando vita advert una narrazione elastica e totale che abbraccia il ricordo, il momento presente e il futuro possibile. Una scrittura libera, anarchica, che l'autrice è stata capace di seguire senza scivolare, senza smarrirsi lavorando sul materiale narrativo e sulla struttura che lo contiene, l. a. sola e unica possibile according to racchiudere l. a. marea montante di personaggi, pensieri ed eventi, senza mai perdere di vista los angeles narrazione.Un capolavoro.
