La Busca (La Lucha por la Vida #1) by Pío Baroja

Pío Baroja

Integrante de l. a. trilogía «La lucha por los angeles vida» –ciclo que, pese a narrar de forma unitaria l. a. adolescencia y juventud de su La Busca (La Lucha por la Vida #1) protagonista en el Madrid hormigueante del tránsito entre los siglos XIX y XX, admite sin problema l. a. lectura independiente de cada una de sus partes–, es l. a. primera novela de los angeles serie. En ella, Pío La Busca (La Lucha por la Vida #1) Baroja narra los angeles llegada a Madrid de Manuel Alcázar desde el medio rural, sus diversos trabajos y sus tímidas incursiones en el camino de l. a. delincuencia, La Busca (La Lucha por la Vida #1) mezclado con gente La Busca (La Lucha por la Vida #1) de vida oscura, pícaros y hampones, en pugna con sus aspiraciones a una vida decorosa. l. a. presente edición viene precedida de un esclarecedor prólogo a shipment de Ricardo Senabre.

Reseña completa en: [http://www.sopadelibros.com/review/3133LA LUCHA POR La Busca \(La Lucha por la Vida #1\) SOBREVIVIR](http://www.sopadelibros.com/review/3133LA_LUCHA_POR_La_Busca_(La_Lucha_por_la_Vida_#1)_SOBREVVIVIR) “La busca” es una obra realista dividida en three partes con desigualdad en extensión y capítulos. En los angeles breve primera parte, posiblemente La Busca (La Lucha por la Vida #1) l. a. mejor ya que consigue atrapar los angeles atención del lector, se hace un detallado retrato del Madrid de principios de siglo, básicamente sobre ambientes humildes que se acentuarán en las 2 siguientes etapas. Manuel, el joven protagonista, será los ojos del autor y se convertirá en una especie de crónica-documento de los angeles ciudad. l. a. acción comienza en los angeles típica pensión donde conviven las más dispares personalidades: estudiantes, curas, prostitutas, buscavidas, La Busca (La Lucha por la Vida #1) fisgonas, maledicentes, etc. Singular lugar (tan bien aprovechado La Busca (La Lucha por la Vida #1) literariamente) donde se dan un sinfín de intereses, amoríos, intrigas y confabulaciones. Tras este corto periodo, entra en el mundo laboral o, mejor dicho, consigue un “curro precario”. Una zapatería, propiedad de unos parientes, donde trabará conocimiento con su primo que será los angeles llave para el descubrimiento de los barrios bajos, los angeles criminalidad y las tascas con personajes estafalarios y de baja estofa. El novelista refleja perfectamente esta chusma, no sólo físicamente (taras, enfermedades y maneras), sino también el lenguaje o jerga que los identifica. El humor, presente en l. a. primera parte y al inicio de ésta, se va diluyendo conforme avanzan las aventuras (o desventuras) de Miguel; una actitud más acorde con el tono trágico y pesimista de l. a. historia. Lo que si continúa, de forma exhaustiva y excelente, son las variadas descripciones, desde edificios deteriorados hasta atmósferas saturadas de podredumbre y miseria. Es un Madrid destartalado, sucio y con espacios malolientes, incluyendo los yermos cuadros campestres. En l. a. última parte el foco se centra en esta clase de microcosmos con sus estrambóticas figuras. Se ponen de manifiesto l. a. ethical laxa, los móviles egoístas, las acciones vulgares y l. a. maldad acompañada con l. a. omnipresente y atroz violencia. l. a. hegemonía de l. a. fuerza bruta y su “razón” (instintos bajos y básicos) anteponiéndose La Busca (La Lucha por la Vida #1) a otro tipo de consideración, es el principio por el cual se rige esta vida: es barato morir, trabajando o no; las relaciones de pareja o las pasiones son tortuosas, pues el amor es indisoluble con los celos y amargura; l. a. mujer es siempre menospreciada y ella se reafirma con perversidad; el sexo es precoz y l. a. prostitución una cosa cotidiana; el alcohol y los vicios son los elementos comunes

a todos; l. a. amistad se mide por el interés; y el compañerismo se ve con recelo. Baroja ha dividido l. a. vida (existencia-subsistencia) madrileña en 2 mundos paralelos (casi igual de míseros) pero interrelacionados: de un lado habitan l. a. vida diurna, l. a. sociedad urbana, los angeles actividad serena y el esfuerzo de los trabajadores; y de l. a. otra parte están los angeles vida nocturna, los suburbios, los angeles brusquedad y los angeles actividad febril de los delincuentes. El protagonista, desde el inicio hasta el mismo final, se encuentra en un dilema ethical entre elegir un camino u otro. Novela escrita con un estilo sencillo, claro, ritmo ágil con abundantes diálogos y, como apunto al principio, de una forma atractiva. Configurado con un diseño "aséptico" dibuja l. a. difícil situación de los angeles La Busca (La Lucha por la Vida #1) capital de los primeros años del siglo XX, sin detenerse en buscar o indicar las causas (sociales o políticas) y culpables de los angeles realidad. Baroja no cae en el mistakes de tomar partido e inculpar (como el ínclito Galdós), ni siquiera se ampara en fórmulas naturalistas y maniqueas. En este sentido l. a. narración es perfecta, no obstante, y según mi impresión, los angeles novela adolece de varios momentos lánguidos y esa falta de energy en expresar emociones pasa factura; todo ello debido a l. a. pasividad y l. a. apatía de carácter de l. a. figura crucial que está en perfecta sintonía y concordancia con l. a. imparcialidad de los angeles historia.
