Vingt wagons brinquebalants s'étirent dans une longue caravane sous le soleil de plomb du désert et le regard connoisseur des vautours. À bord, des pionniers traversent le continent américain, prêts à braver tous les hazards pour atteindre los angeles Californie. Parmi eux, une institutrice, un coiffeur français au langage châtié, un conducteur de mules aux expressions, disons, "imagées?", un inventeur catastrophique, un gamin qui ne songe qu'à faire de vilains coups... Dans ce microcosme haut en couleurs se cache pourtant un saboteur prêt à tout pour empêcher los angeles caravane d'atteindre sa destination. Heureusement, elle a pour consultant un vaillant cowboy solitaire qui tire plus vite que son ombre. fortunate Luke parviendra-t-il à les mener à bon port malgré les sabotages qui se multiplient ?

fortunate Luke takes you within one other middle guiding principle of the previous West, the wagon train, and it is a enjoyable ride, seeing the entire adventures, hardships, La Caravane (Lucky Luke #24) and issues they'd need to face, ceaselessly relocating west, via adversarial lands, La Caravane (Lucky Luke #24) temptations, their very own foibles and weaknesses, inner sabotage, opposed environs and natives... and nonetheless sustain the spirit that drove them out right here and saved them going. Once again, Goscinny takes you deep within one other world. How does the guy keep it up doing it, over and over?
