# La Gracia de Dios y el Vecino Homosexual/ God's Grace and the Homosexual Next Door

Alan Chambers

Alan Chambers y cuatro de sus colegas de Exodus foreign ofrecen conocimiento práctico y La Gracia de Dios y el Vecino Homosexual/ God's Grace and the Homosexual Next Door bíblico en esta guía comprensiva sobre cómo ambos, individuos comunes y las iglesias, pueden ser un refugio para los homosexuales que persiguen liberación de su atracción sexual hacia personas de su mismo sexo. Esta guía provee a los creyentes contestaciones amorosas a los que llevan un estilo de vida homosexual.

First the good stuff concerning the book: 1. The authors admit that gays have sturdy cause to mistrust Christians simply because they have usually been taken care of badly by way of the church. 2. It does not (for the main part) demonize homosexuals and painting them as extra inherently evil than different people. So, what are the undesirable issues in regards to the book? every little thing else. The e-book used to be written by means of the non secular charlatans on the now defunct Exodus International, led through Alan Chambers (the coauthors being Randy Thomas, Mike Goeke, Scott Davis and Melissa Fryrear). Exodus was once within the enterprise of curing homosexuals (Scott Davis claims within the booklet La Gracia de Dios y el Vecino Homosexual/ God's Grace and the Homosexual Next Door "hundreds of thousands" have left homosexuality due to Exodus, p. 165). This quackery does not paintings and the sole "ex-gays" they controlled to provide have been those that committed suicide in depression after being uncovered to Exodus's hateful, unscientific teachings established simply La Gracia de Dios y el Vecino Homosexual/ God's Grace and the Homosexual Next Door on bronze age mythology. The authors express no real interest in the health of "the gay subsequent door", simply in recruiting her or him into the Church (and Exodus and concentrate on the Family). As of this writing, it has been nearly years in the past on account that Exodus closed down and Alan Chambers admitted conversion remedy does not work. Chambers and co-author Randy Thomas have issued apologies to the homosexual community, Thomas has pop out as homosexual back on his web publication and Chambers admits La Gracia de Dios y el Vecino Homosexual/ God's Grace and the Homosexual Next Door to nonetheless having same-sex attractions. Yvette Schneider who stocks her testimony on the finish of the e-book has on the grounds that denounced the ex-gay movement. So, the large query is: Why is that this booklet remains to be in print? Exodus has closed down yet there are different "ex-gay" teams carrying on with their work, and their large help from the Christian church lead them to way La Gracia de Dios y el Vecino Homosexual/ God's Grace and the Homosexual Next Door more harmful than fringe teams just like the Westboro Baptist Church. the good news for Christians suffering to reconcile their homosexuality with their religion is so that you can be let loose from Christianity!
