La Ultima Pieza by Joy Fielding

Joy Fielding

Perspicaces detalles psicológicos y un suspenso sorprendente se combinan para hacer de esta los angeles mejor novela de pleasure Fielding. I. a. terapeuta widely used Kate Sinclair soluciona las problemáticas vidas de otras personas al tiempo que cuida su matrimonio y I. a. tranquilidad de su hogar. Pero existen partes de su pasado que no están muy claras, y I. a. armoniosa que con tanto esmero ha preservado durante mucho tiempo se viene abajo cuando su media hermana JoLynn anuncia sus planes de casarse con La Ultima Pieza un tal Colin Friendly, acusado de matar a La Ultima Pieza thirteen mujeres desaparecidas en el rea de Palm Beach. Como si esto no fuera poco, Sara, los angeles hija rebelde de Kate, ha caído bajo I. a. influencia de JoLynn. Su madre desaparece del asilo de ancianos donde vive. En medio de este desorden aparece Robert, antiguo amor de Kate, ahora dueño de una cadena de radioemisoras que cubren el juicio de Colin Friendly. Decir que nada será igual para Kate Sinclair y los demás miembros de su familia es decir poco acerca de I. a. interesante y compulsiva mirada con I. a. que pleasure Fielding percibe los angeles línea divisoria que separa los asuntos domésticos del horror de I. a. violencia.

Die Romane von pleasure Fielding haben mich persönlich als Leser immer schon fasziniert. Nun, da ich meine erste Rezension zu einem ihrer Romane schreibe, habe ich mich lange gefragt, warum das eigentlich so ist. In meiner Rezension will ich nun versuchen, meine Beweggründe in Worte zu fassen. Zuerst finden sich in Fielding's Romanen immer sehr starke, facettenreiche Frauen in der Rolle des Protagonisten. In diesem ist es Kate Sinclair - Familientherapeutin, verheiratet, zwei Kinder. Ihr gegenüber steht ihre Halbschwester Jo Lynn, die zwar nach außen hin sehr difficult wirkt, sich am Ende aber doch als eher anders zeigt – jede weitere Erklärung wäre ein Spoiler. Ich habe oft gelesen, dass die Rolle der Protagonistin nicht authentisch wirkt, da sie als Therapeutin ihr Privatleben mit ihrer pubertierenden Tochter viel besser auf die Reihe bekommen müsste und auch nicht so oft mit ihrem Mann in Streit verfallen würde, doch gerade das zeigt für mich eine paintings Menschlichkeit, die jemanden in diesen Berufen wohl oft abgesprochen wird. Für mich ist Kates Rolle sehr stimmig und auch die Art, wie sie sich mit Colin Friendly's Fall befasst, erscheint mir nicht zu weit hergeholt. Auch dies ist etwas, was once ich an Fielding's Romanen schätze. Sie sind nicht nach dem üblichen Prinzip aufgebaut – das heißt, es gibt keinen Polizisten, Ermittler, Detektiv in der Rolle des Protagonisten, woraufhin es alles viel persönlicher wirkt. Fielding schreibt über die Betroffenen, die, die sich „mittendrin“ befinden. „Am seidenen Faden“ ist als eine artwork Bericht verfasst worden, den Kate Sinclair an die Polizei verfasst – quasi nach dem Ende des Buches. Allerdings gibt es keine Erzählerrolle, die in diesen Bericht eingreift. Die Handlung verläuft flüssig, als würde sie aktuell geschildert. Dadurch, dass Kate Sinclair aber sehr in den La Ultima Pieza behandelten fall von Colin Friendly, einem Mörder, verstrickt ist, setzt der Roman sich sehr lange mit der Geschichte ihrer Familie auseinander. Zwischenzeitlich kam es mir sehr langwierig vor, doch betrachtet guy die Handlungsabfolge noch einmal nach Abschluss des Romans, macht es in meinen Augen doch Sinn. Fielding's Charaktere sind alle sehr facettenreich und schlüssig „konstruiert“. So struggle mir besonders die langsam an Alzheimer

erkrankende Mutter der Protagonistin aus irgendeinem Grund sehr sympathisch. Für mich besteht kein Zweifel, dass pleasure Fielding mit diesem Roman wieder ein sehr gutes, aber auch psychisch „hartes“ Werk geschaffen hat. Es gibt einige Sequenzen mit geschilderten Albträumen, die mir doch ab und zu eine Gänsehaut über den Rücken gejagt haben.
