## La casa madre by Letizia Muratori

Letizia Muratori

Quando Irene riceve dall'America, nel suo bel cavolo di plastica, los angeles bambola che aspettava, sa già che consistent with quella creatura di stoffa vagamente orri?ca dovrà essere, rispettando alla lettera le ferree regole imposte dalla fabbrica, una vera madre, così come vere madri già sono, o La casa madre stanno according to diventare, tutte le sue compagne di classe, al collegio del Sacro Cuore di Gesù. Quello che Irene ignora è ?no a che punto si spingerà l. a. simulazione. La casa madre Quanto a Luca, il protagonista del secondo racconto che compone questo libro, ha deciso che le giovanissime, esotiche abitanti della pineta dietro casa sua sono in realtà le Winx: e quando si sente dire dalla più bella, Flora, quante monete dovrà sborsare in line with passare qualche minuto con lei, sa dove e come procurarsele. Ma ancora non sa in cosa esattamente consista il misterioso charmix di quelle strane bambole. Benché separate nel pace e nello spazio (la prima si svolge a Roma negli anni Ottanta, l. a. seconda oggi, sul litorale del Lazio), le due storie di Letizia Muratori vanno thoughtful indivisibili. Lette in sequenza, si riveleranno infatti in keeping with ciò che sono: il copione di una commedia scalena e corrosiva, una storia quasi di fantasmi che costringe chi l. a. legge a vedere il mondo adulto sempre e solo con gli occhi dei bambini – ma che consistent with un singolarissimo gioco di sponda restituisce, La casa madre di quel mondo, un'immagine che ferisce e La casa madre persuade.

WM5: Ho avuto una carriera universitaria incompiuta e tardiva, ma ricca di spunti di riflessione. Quando lessi le pagine foucaultiane riguardo al ghetto infantile, cio l. a. somma di proiezioni culturali degli adulti che definisce lo prestige del bambino, ricordo che fui molto colpito. E' da allora, molti anni fa ormai, che porto avanti a spizzichi e bocconi una mia riflessione su quel tema. Ricordo ancora bene come mi sentivo attorno ai nove-dieci anni, nella periferia bolognese dei Mid-Seventies. Pensavo che i grandi non avessero niente pi di me, se non i soldi e los angeles macchina, ed ero convinto che l. a. maggior parte delle regole che mi venivano imposte fossero assurde. E' un punto di vista manicheo e interessante. Molti dei miei personaggi non sono mai usciti da quel punto di vista. Il punto di vista period complicato dal fatto che l'assurdità delle regole che reggevano quel mondo non lo rendeva meno desiderabile. Essere grandi, pi grandi, anche di sei mesi, di pochi giorni: essere piccoli faceva schifo. C' un pezzo su un album dei Byrds che parla delle cose che uno conosceva bene quando period giovane, e della necessit di tornare a quelle sensazioni. La casa madre Quando ero molto giovane, quand'ero bambino sapevo un sacco di cose che mi sono tornate alla mente leggendo los angeles Casa Madre, di Letizia Muratori. Immaginare una forma di felicit che prolunga l. a. gioia fisica del sentire. Quando ci che si sente non gioia, l'immaginazione diviene dolorosa. Il gioco immaginazione, in senso letterale: accostare immagini mentali fino a formare un'immagine complessiva. E' una trama di corrispondenze che prende vita e densit, un mondo interiore attraverso il quale ci si muove are available in un ambiente fisico. Questa l. a. sostanza non-materiale del gioco. Al centro del primo dei due racconti che compongono los angeles Casa Madre c' los angeles vicenda di Irene, una bambina alle prese con uno degli oggetti culturali tipici delle bambine degli anni '80, oltre che con una triste implosione familiare. l. a. La casa madre bambola Cabbage Patch period un essere nato in un campo di cavoli, che l. a. Casa

---

Madre dava in affidamento a bambine (e bambini) sparsi in tutto il mondo, con los angeles raccomandazione di comportarsi da vera madre. Il gioco, in step with Irene, totalizzante. Tutti i giochi infantili lo sono. E' una copy il pi possibile fedele del mondo degli adulti, cos come veduto e compreso da una bambina di sette anni. I. a. madre soffre di depressione. Il padre La casa madre torna a casa, dopo una separazione. I. a. vicenda childish si snoda al collegio del Sacro Cuore di Ges, dove Irene costretta, e dove il gioco di essere madre il centro della vita sociale delle bambine, tutte madri di altrettante Cabbage Patch. Il tema della segregazione scorre come un fiume carsico nelle La casa madre pagine che vedono le bambine protagoniste. A ben vedere anche los angeles condizione psicologica della madre una forma di segregazione, e anche il rapimento che viene inscenato ai danni di una delle bambole di pezza il trasferimento di quella condizione su uno dei corpi inerti, industriali, che catalizza l'attenzione e los angeles spinta affettiva delle giovani ospiti del collegio. Muratori organizza I. a. narrazione addensandola attorno a nuclei emotivi che declinano in maniera abile e spiazzante una serie di topoi. Il Parto, L'Arrivo in Classe del Bambino Nuovo, Il Gioco Cattivo ordito ai danni di una compagna, il Viaggio Iniziatico attraverso il corpo della citt, Il Ritrovamento del Bambino Disperso, in questo caso di pezza. Tappe di un breve romanzo di formazione che conducono I. a. La casa madre piccola protagonista al trauma annunciato del finale, attraverso pagine di grande efficacia. los angeles lingua di Muratori limpida, los angeles mimesi del linguaggio childish non mai stucchevole, alle volta I. a. prosa think consistenza aforistica, l'uso delle metafore , tratto tipico del lavoro dell'autrice, immaginoso e personale. Il secondo racconto contemporaneo, ora, e il protagonista un bambino, un piccolo maschio. I. a. forma totalizzante del gioco non ha a che fare con una reproduction del mondo degli adulti, ma con los angeles magia, e il corpo del desiderio non una bambola di pezza, ma il corpo estetizzato e culturale delle prostitute. Da autore, confesso che mi piacerebbe riuscire a trattare una voce femminile con I. a. stessa sicurezza con los angeles quale Muratori tratta il flusso di coscienza di un maschio preadolescente. L'identificazione totale, commovente. Nella pineta dietro I. a. casa delle vacanze Luca scopre che le fate, le Winx dei cartoni animati, esistono davvero. E poich according to passare il pace con loro occorre pagare, Luca intraprende varie forme di commercio. Occorrer poi un intervento deciso, quintessenzialmente maschile consistent with salvare una delle Winx da un nemico crudele. Un finale anticlimatico, magistrale, interromper I. a. missione. Anche qui un utilizzo sapiente dei luoghi letterari. Il Mondo Nascosto Vicino Casa, Il Piccolo Commercio Infantile, quasi dickensiano, los angeles Quest cavalleresca. Il mondo di Muratori vivido, convincente. I. a. sua prospettiva La casa madre non mai scontata, e il lettore arriva alla advantageous con I. a. voglia di leggere ancora, di essere destabilizzato, colpito, reso malinconico ed euforico, catartizzato. Detto in breve, los angeles Casa Madre senza dubbio un'ottima prova.
