La noche detenida by Javier Reverte

Javier Reverte

La noche detenida es una narración que transcurre en los territorios del amor y de los angeles guerra, durante los días del comienzo del cerco de Sarajevo. Javier Reverte viajó a la ciudad asediada en 1992 para escribir una serie de reportajes, y de aquellas vivas y trágicas experiencias surgió este libro de ficción, que camina a caballo entre la realidad y la imaginación. Contada con una sencillez que esconde un complejo fondo de perplejidades humanas, es la historia de un periodista que llega a los angeles guerra y encuentra un amor apasionado y único en los escenarios del dolor y de los angeles muerte. Impregnada de una honda poesía y en el mejor estilo de su autor, la noche detenida es una historia que emocionará, que llegará hasta el corazón de quien la lea y le impulsará a reflexionar sobre los lados oscuros, y también los más nobles, del alma humana. Javier Reverte ha encarado la literatura como una expresión suprema de libertad.

La novela nos cuenta los angeles visita por trabajo de un periodista a la sitiada ciudad de Sarajevo durante la Guerra de los Balcanes. Pretende ser una novela y una reflexión sobre el amor, los angeles guerra y la muerte. En mi opinión no ha calado tanto. Creo que no saca partido suficiente a lo que supone una guerra para los que sufren (quizás con más páginas...?). La historia de amor me resulta floja, también creo que podría haber dado más de sí. La historia está contada con sencillez y en un lenguaje ameno y de fácil lectura. No está mal, pero esperaba más. Puntuación: 6
