'Lief nachtboek, [...]. Ik was once veertien jaar toen ik de eerste guy vermoordde, daarna kon ik niet meer stoppen.' commence van deze misdaadroman over de drie zusters Judith, Liesbeth en Carol Marnier, die, omdat hun moeder dat niet kan, door hun grootmoeder worden opgevoed. Liesbeth wordt vroedvrouw, Judith fotografe en Carol een gedesillusioneerde alcoholiste. Een van hen, de schrijfster van het nachtboek waaruit in het boek steeds wordt geciteerd, is ook een moordenaar, maar wie? En waarom? Een gepensioneerd politieman komt haar op het spoor. Beklemmende, boeiende, goed geschreven psychologische mystery over trauma's Lautlos In Den Tod en familiegeheimen met mooie karaktertekeningen en een intrigerend plot, die zich afspeelt tegen een achtergrond van sneeuw en ijs in Noorwegen en IJsland.

even though i am inspired to were trapped in empathy in the direction of the perpetrator, by way of kind the publication is not interesting. (This should be partially as a result of my Dutch translation, though). i discovered extra repetitions and little reference-flaws that I beloved usually within the first a part of the ebook and outlines of scents as colors for multiple of the characters move a bit far. Also, i am pleased Laurus finally confirmed up, differently the man-hate might were an excessive amount of for me. There are stable males and sturdy fathers out there. After a while, when you are used to the fashion of telling and weird emotions, it is a web page turner in terms of suspense and that i won't ever learn Little pink using Hood a similar again.
