Entre l. a. faith d'un côté et de l'autre les anges science, s'étend le domaine vaste et flottant des superstitions. Le déclin de l. a. première leur profite Le Livre Des Superstitions: Mythes, Croyances Et Legendes sans que le progrès de les anges seconde les fasse reculer. Le merveilleux et l'obscur conservent tous leurs prestiges. Enquêtes d'opinions et faits divers l'attestent : qu'il s'agisse de les anges fashion de l'astrologie, de les anges croyance à l'existence d'extra-terrestres, ou, sur un mode plus sombre, du goût pour l'occulte qui se manifeste dans certaines sectes. – Comme si les hommes ne se résignaient pas au désenchantement du monde, et que ce monde dont ils se proclament simultanément seuls maîtres et possesseurs était toujours Le Livre Des Superstitions: Mythes, Croyances Et Legendes lié à l'invisible, peuplé de signes, de présages et de sortilèges, animé d'intentions favorables ou hostiles qui échappent à l. a. raison, défient notre savoir et notre volonté.
