## Le Photographe, Tome 2 : (Le Photographe #2)

Emmanuel Guibert

O Fotógrafo é uma das principais provas de que o jornalismo em quadrinhos associado à obra de Joe Sacco já está virando um gênero. O livro lança mão das possibilidades estilísticas das fotos em preto e branco e da versatilidade dos quadrinhos para produzir um trabalho novo e relevante. O livro conta a história do fotógrafo francês Didier Lefèvre, que em julho de 1986 partiu para o Afeganistão acompanhando uma equipe dos Médicos Sem Fronteiras. Naquela época, o país estava em guerra, com tropas da União Soviética lutando contra os guerrilheiros mujahedin. Le Photographe, Tome 2 : (Le Photographe #2) (que mais tarde instalaria o Talibã no poder). Lefèvre achou a experiência tão marcante que resolveu transformá-la em livro. Dividida em três volumes, a obra traz o relato pessoal da experiência de Lefèvre no país, Le Photographe, Tome 2 : (Le Photographe #2) com as dificuldades e perigos enfrentados pelo profissional e pela equipe de Médicos Sem Fronteiras. A história é contada através da mistura de fotos em preto e branco do autor e quadrinhos assinados por Emmanuel Guibert, com diagramação e cores de Frédéric Le Photographe, Tome 2 : (Le Photographe #2) Lemercier. Neste segundo volume, a caravana finalmente chega a seu objetivo: Zaragandara, no coração do Afeganistão. Ali, em um clinic improvisado, tem início o verdadeiro trabalho da equipe médica, não apenas no atendimento aos feridos de guerra, mas principalmente na prática da medicina cotidiana em condições precárias.

"Ensuite, il faut savoir que le chadri, c'est assez récent. A peu près un siècle. Auparavant, beaucoup de femmes des villes, de toute leur vie, ne mettaient pas le nez hors de chez elle de leur maison." "C'est vrai ?" three Biens-sûr que c'est vrai. Dans une grande ville, c'est pour ça que l'invention du chadri a été un achieve d'autonomie et de liberté. Elles ont enfin pour sortir de chez elles. De toute manière, on en fait un symbole exagéré et fool de ce chadri, les vraies priorités, pour les femmes, c'est l'accès aux soins, à l'éducation, au travail et à los angeles justice, pas les fringues."
