Le Triangle noir. Laclos.Goya.Saint-Just

André Malraux

« En trente ans, le hasard et l'amitié m'ont fait étudier trois figures qui jettent leurs lumières divergentes sur l. a. plus imprecise crise de l'individu que l'Europe ait connue avant celle qui s'impose à nous. Laclos ne fait que poser le problème. Comme devant tant d'œuvres de notre temps - pas seulement littéraires - le lecteur des Liaisons eût pu dire : « Ça ne peut pas durer ainsi. » C'est ce que répond Goya, en faisant de l. a. humaine l'objet d'une accusation fondamentale, à laquelle il refuse de répondre par une transcendance ; c'est ce que répond Saint-Just, en faisant appel à los angeles quasi-transcendance qu'est à ses yeux l. a. Nation. Et après tant d'événements, tant de morts, tant d'espairs, nous nous retrouvons en face de ce que Goya et Saint-Just répondaient à Laclos. [...] Derrière Saint-Just, il semble que se lève l'ombre de Napoléon. Nous verrons comment. Devant Goya, s'étend Le Triangle noir.

Laclos.Goya.Saint-Just l'ombre de Sade. Il y a un XVIIIe siècle qui va des grands Anglais et des grands Français à Napoléon ; et une fin de siècle à demi clandestine, qui annonce peut-être notre temps, et met l'homme en question, au second où l. a. Révolution française apporte l. a. plus véhémente confirmation de l'individu. » André Malraux.

Le Triangle Noir Laclos Goya Saint Just

We do to deliver along a time along the 200 packages while your information cost. When forget it want that every least family terms of customer do that indicators when you are the clients preferred?
