Lines On The Water: A Fisherman's Life On The Miramichi

David Adams Richards

David Adams Richards explores man's dating with nature: no matter if fishing salmon at the Miramichi, searching moose or deer, wasting Lines On The Water: A Fisherman's Life On The Miramichi your means within the woods, or sneaking clear of a bear. This booklet is ready hunters and fishermen, approximately historical past and memory. Richards weaves jointly the stories that experience educated his lifestyles as a fisherman. He has Lines On The Water: A Fisherman's Life On The Miramichi realized his ability from the courses and the poachers, the activities and town slickers who've all fished the Miramichi. He learns approximately perseverance and respecting nature, and he displays at the alterations that the fashionable international has delivered to the good river. strains at the Water abounds with lore and wisdom, humour, and so much of all, passion.

an excellent booklet ...even if you happen to do not fish you will adore the best way he tells of his many adventures fishing the powerful salmon at the miramichi.richards has a manner of telling a narrative that simply takes my breath away..i did not want it to finish
