# M\*A\*S\*H GOES TO MAINE

**RICHARD HOOKER**

author of *M\*A\*S\*H*,  
the best-selling book and  
Oscar-winning film

---

## **M\*A\*S\*H Goes to Maine (M\*A\*S\*H #2) by Richard Hooker**

Richard Hooker

again from Korea and zanier than ever, these 4 irreverent army surgeons--Hawkeye, Trapper, Duke and Spearchucker--are keen and able to function again. This time it really is at the crusty natives of Spruce Harbor, Maine. There the irrepressible M.D.s meet their lunatic equals and sign up for with them in a wacky, hilarious romp via each working room and bed room in town.

"M\*A\*S\*H is going to the Maine" is the 1st sequel to the novel, M\*A\*S\*H Goes to Maine (M\*A\*S\*H #2) "M\*A\*S\*H". it's also the 1st of the thirteen "M\*A\*S\*H is going to" books and the one one Richard Hooker (Dr. Richard Hornberger) really had a hand in writing. (The subsequent twelve books will be written via William E. Butterworth, even though Hooker could get a writing credit.) that it's the merely e-book within the "Goes to" sequence Hooker labored on makes it unique, yet it isn't the single factor that makes it unique. the 1st book, "M\*A\*S\*H" wasn't quite M\*A\*S\*H Goes to Maine (M\*A\*S\*H #2) a bit a novel, because it used to be a set of incidents, sketches. It used to be episodic in nature. "M\*A\*S\*H is going to Maine", however, is a novel. Or at the very least it begins out as M\*A\*S\*H Goes to Maine (M\*A\*S\*H #2) one. the 1st half "Maine" issues Hawkeye Pierce turning M\*A\*S\*H Goes to Maine (M\*A\*S\*H #2) into board qualified to be a chest health care professional after which amassing jointly his former colleagues from MASH 4077th. This a part of the ebook in M\*A\*S\*H Goes to Maine (M\*A\*S\*H #2) all fairness interesting. However, as soon as Hawkeye has gotten Duke, Spearchucker and Trapper to affix him in Maine and the Finestkind hospital and Fish industry is opened, the ebook then turns into episodic; basically a sequence of sketches. which is not undesirable in and of itself. It labored good for "M\*A\*S\*H". however it does make "Maine" uneven. it truly is M\*A\*S\*H Goes to Maine (M\*A\*S\*H #2) virtually as though Hooker was once not able to write down an entire novel for a 192 pages.
