Make Me Yours

*Another
man's mistress?*

Make Me Yours (Harlequin Blaze, #479)

Betina Krahn

Mariah Eller was once merely attempting to keep her resort from being trashed. So how did the widow be capable to allure the unwanted--and erotic--attention of the Prince of Wales? no longer that being wanted by way of royalty is inevitably bad... Only, Mariah a lot prefers the prince's most sensible friend....Jack St. Lawrence is especially tempting, and intensely loyal. And he is familiar with that the prince will get concerned in basic terms with married women. So he figures horny Mariah is safe...until the prince calls for Jack locate her a husband!The problem? Jack and Mariah cannot struggle their scorching attraction. And when they supply in to their desires, the location is even worse. as the prince's guy has come across a husband for Mariah."Himself."..

i believe my response to this e-book has to do with my being saturated in romance novels for an Make Me Yours (Harlequin Blaze, #479) exceptional yr and a half, and eventually getting form of bored with them. yet this just isn't taken as a mirrored image Make Me Yours (Harlequin Blaze, #479) of this actual novel.This novel is admittedly well-written, and the tale is attention-grabbing and unique.HOWEVER, after fairly gorging on romances this final year, i feel i eventually hit a wall. i am eventually ailing of romances. not less than temporarily. i have been analyzing Megan Hart lately, and he or she has any such lifelike tone to her novels. Her characters frequently react in a logical manner...I imagine it has soured me at the usual romance genre.I instantly begun feeling that....ugh, no longer THIS... feeling whilst i spotted that the heroine used to be being compelled right into a scenario that used to be now not of her Make Me Yours (Harlequin Blaze, #479) making, no Make Me Yours (Harlequin Blaze, #479) longer her fault at all. The heroine, a widowed proprietor of a rustic inn, captured the awareness of the Prince, who determined he needed to have her as his own mistress. yet basically after she married, simply because he didn't wish any bastard teenagers working around. So, the Make Me Yours (Harlequin Blaze, #479) heroine then needed to discover a husband, who "oh yeah" would not brain handing his spouse over to the prince's makes use of for many years till he obtained ailing of her.YUCK! The hero participated during this insanity by way of being instrumental in aiding her to discover a husband. Of course, the storyline performs out differently, h/h fall in love, l. a. la, everyone seems to be happy. however the scenario is what soured me. regularly those romances characteristic a state of affairs that simply sours my stomach.

Make Me Yours Harlequin Blaze 479
