Marco is a typical flamingo who desires to commute North for the winter. This publication enables you to discover what occurs whilst he reviews snow and chilly for the 1st time.

I enjoyed this e-book a few curious flamingo desirous to study extra in regards to the mysterious global of snow. whilst Marco is not any longer chuffed with the reasons supplied through those birds who flew south for the winter, he comes to a decision the one strategy to know about snow is to head see a few himself. The tale is humorous and light, and the illustrations are magnificent. The brilliant colours and lively faces are certain to preserve more youthful readers interested- I in particular loved the surprise representation on the finish of the book. My mother is a Kindergarten aide and is calling ahead to convey this ebook into tuition to learn to her type at storytime.
