
Memorias de un amante sarnoso by Groucho Marx

Groucho Marx

Nadie más impertinente ni mordaz para hablar del amor que Groucho, «amante sarnoso», como él mismo se califica, no sólo por su obsesión por las mujeres, sino sobre todo por su desfachatez. No contento con relatarnos algunas de sus aventuras galantes —condenadas invariablemente al fracaso—, Groucho se lanza a una hilarante historia common del amor, o mejor dicho del sexo, «esa gloriosa experiencia que l. a. madre naturaleza improvisó con el fin

de mantenernos en pie y, de vez en cuando, acostados». Aunque estas memorias no revelen ningún gran escándalo erótico (por desgracia, pues, como él dice, le habría asegurado las ventas) ni Memorias de un amante sarnoso recetas infalibles para l. a. conquista, si proporcionan al lector a Memorias de un amante sarnoso cada página incontables ocasiones de partirse de risa. Ya trate de los angeles vida de l. a. farándula, de las fiestas de postín, o de algunas cuestiones capitales de los angeles visión «marxista» de los angeles vida, nada escapa a su verborreica causticidad.

Publicado en <http://lecturaylocura.com/un-amante-s...>Memorias de un amante sarnoso de Groucho Marx. Reírse de uno mismoMi hermano siempre recuerda l. a. primera vez que vimos Sopa de Ganso, y lo recuerda porque no exagero al decir que estuve riéndome durante los angeles hora y un poco más que dura los angeles película a carcajada limpia, hasta un punto en el que me acabo doliendo l. a. tripa; un momento gozoso, de esos que nunca olvidas, esta película consigue encadenar sin descanso un montón de gags, a cual más divertido, y estaban ciertamente inspirados (dentro de que cada película de los Marx tienen momentos inspirados claro); lo cierto es que es una de mis películas favoritas.Seguro que este recuerdo le alumbró en el tan difícil camino que supone, habitualmente, encontrar un libro que no haya leído o... más bien, no haya comprado ya. Memorias de un amante sarnoso Y acertó de pleno, estas Memorias de un amante sarnoso son un fiel reflejo de los angeles personalidad del gran Groucho y de su creatividad e Memorias de un amante sarnoso ingenio a pesar de una cierta irregularidad a los angeles hora de cohesionarlas. l. a. verdad es que estas memorias, divididas en cinco partes, están compuestas de anécdotas e historias que le han sucedido a él o a sus hermanos y que relata de una manera inconexa; el comienzo ya denota su intento de reflejar de alguna manera su lugar en el Hollywood de l. a. época:“La escala social de Hollywood es elevada y causa vértigo. Si miras atentamente desde el peldaño más bajo, Memorias de un amante sarnoso podrás descubrir... Bueno, Memorias de un amante sarnoso límitate a seguir leyendo.Son las as soon as de los angeles noche y estoy sentado en los angeles cama leyendo las obras completas de sir Walter Scott y bebiendo un vaso de leche caliente. No te vayas a hacer l. a. concept de que he estado toda los angeles tarde en l. a. cama.”Y es ahí donde encontramos su capacidad de reírse de sí mismo, calificándose primero como una “estatua social”:“Los hombres charlamos acerca de Memorias de un amante sarnoso política, de los problemas del tráfico y de las mujeres. Las mujeres hablaron sobre su pelo, sobre l. a. asociación de maestros y familiares y sobre los hombres. Hacia las diez y media, el bostezo se hizo algo bastante generalizado y a las as soon as estaba en casa, metido en los angeles cama.Después de treinta años en Hollywood, he llegado lentamente y de mala gana a l. a. conclusión de que soy una estatua social. Me he convencido finalmente de que debo de tener los angeles mayor parte de las taras físicas que los espacios comerciales de los angeles televisión aseguran ruidosamente que pueden curar en veinticuatro horas.”Y a continuación como un fanfarrón:“No sé por qué dije esto, exceptuando el hecho de que básicamente soy un fanfarrón y de que nunca desperdicio una ocasión para darme importancia.”Como dije con anterioridad, no sólo se basa en experiencias vividas en primera character sino que utiliza las de sus hermanos igualmente, tal es el caso del jugador del grupo, Chico, especialista en desplumar a quien se pusiera a jugar con él a las cartas:“Según mis mejores conocimientos, Chico period mi hermano y los angeles única razón de que interpretara el papel de un emigrante italiano period que se Memorias de un amante sarnoso adaptaba a su own talento cómico. Cuando esta explicación no satisfacía a los angeles gente, les decía que plantearan l.

a. pregunta al departamento de inmigración y que, si allí tampoco quedaban satisfechos, trataran de investigarlo en el departamento de agricultura.”Indudablemente, una de los recursos que más utiliza es l. a. subversión de elementos comunes para, aprovechando el desconcierto de darle l. a. vuelta a los angeles situación, arrancarnos los angeles risa; como es el caso de las famosas (y guapas) hijas de los terratenientes de todas las películas:“En los angeles ficción, siempre nos hemos inclinado a creer que l. a. hija de un terrateniente o de una patrona constituye invariablemente un bombón irresistible. Bueno, pues, aquella hija, cuyo nombre period Pepita, period por desgracia un perro. Sus encantos exteriores comprendían una serie de dientes torcidos, un busto oblicuo y una nariz que parecía un mapa en relieve de los Andes Superiores.”Según el tipo de recurso (y humor utilizado) puedes congeniar más o menos, de ahí que no sea muy homogéneo; afortunadamente l. a. quinta y última parte bajo el título de “Filosofía marxista según Groucho “ funciona bien como colofón y es en el momento en el que se encontraba más inspirado, tanto como para pedir como primer mandamiento de su filosofía “un Memorias de un amante sarnoso buen bocadillo de jamón”：“La primera cosa que necesita los angeles nación es un buen bocadillo de jamón. Me refiero al uncomplicated y anticuado (actualmente en desuso) bocadillo compuesto exclusivamente por pan y jamón, que fue una institución nacional hasta que los bares y las cafeterías, con su pasión por las cosas mezcladas, lo han echado a perder para todos nosotros. Memorias de un amante sarnoso A título experimental, me dirigí Memorias de un amante sarnoso ayer a un bar y pedí un bocadillo de jamón.”O a establecer los angeles forma en que un pobre Memorias de un amante sarnoso escritor period maltratado en Hollywood, lo que había Memorias de un amante sarnoso que hacer en los angeles época (¿y ahora?) para ganarse el pan:“El jefe de uno de aquellos estudios sentía tal pasión por el juego del polo, que raramente iba a alguna parte sin llevar un mazo de polo bajo el brazo. Con frecuencia, durante l. a. discusión sobre un guión cinematográfico, mandaba a uno de sus peores escritores que se pusiera a cuatro patas en el suelo y luego cabalgaba un rato por el despacho con el easy propósito de mantenerse en plena forma. El escritor no estaba precisamente entusiasmado con los angeles tarea de interpretar el papel de un caballo, pero no tenía otra alternativa en el asunto. Necesitaba el empleo. period un piojoso escritor y, además, tenía que mantener a tres esposas de las que se había divorciado.”Qué mejor que terminar con el que, igualmente, podría haber sido un epitafio perfecto para el humorista:“Nuestro héroe no se arrepiente de nada. Durante toda su vida estuvo bebiendo profusamente en los angeles fuente del amor y tomó para sí, de un modo liberal e imparcial, los deliciosos frutos que únicamente aguardan a aquellos que no tienen miedo a l. a. vida, sino que viven sólo por l. a. lujuria, despreciando los peligros que acechan en el inside de unos brazos de mujer.Si hubiera querido, podría haber sido una primera figura en el campo de los negocios, un comandante en las fuerzas armadas, un Hamlet en el teatro. Sin embargo, ya desde su más tierna juventud, estuvo marcado por un destino erótico. Sabía que los angeles obra de su vida consistiría en los angeles persecución incesante de mujeres tentadoras y esquivas.”Buen rato de humor el que me ha proporcionado Groucho y que nos seguirá proporcionando a través de sus películas Memorias de un amante sarnoso y textos; muchas gracias hermano, me lo he pasado muy bien con él.Los textos provienen de l. a. traducción de Juan Leita de Memorias de un amante sarnoso de Groucho Marx para l. a. editorial Edhasa
