Memory, History, and Opposition: Under State Socialism

Rubie S. Watson

8 anthropologists, sociologists, and historians probe the oppositional narratives created by means of Chinese language rural intellectuals, Emigre Croats, and arranged dissenters equivalent to the Djilas of Yugoslavia who developed and maintained oppositional histories in nation socialist societies. Whilst the creators of legitimate historical past jealously guarded the correct to provide historic texts, replacement histories survived and from time to time even prospered in Japanese Europe, the Soviet Union, and China. Contestation over how the previous was once to be represented was once by no means totally eradicated.
