Modigliani: A Life by Jeffrey Meyers

Jeffrey Meyers

In 1920, on the age of thirty-five, Amedeo Modigliani died in poverty and overlook in Paris, very like a determine of los angeles Boheme. His existence have been as dramatic as his death. An Italian Jew from a bourgeois family, "Modi" had a weak point for drink, hashish, and the various women-including the Russian poet Anna Akhmatova-who have been interested in his solid looks. His neighbors integrated Picasso, Utrillo, Soutine, and different very important artists of his day, but his personal paintings stood apart, producing little curiosity whereas he lived. modern paintings world, however, recognizes him as a grasp whose restricted oeuvre-sculptures, portraits, and a few of the main beautiful nudes within the entire of recent art-cannot fulfill collectors' demand. With a full of life yet sensible hand, biographer Jeffrey Meyers sketches Modigliani and the artwork he produced, illuminating not just this little-known determine but in addition the painters, writers, lovers, and others who inhabited early twentieth-century Paris with him.

for those who ever had romantic notions of Parisian bohemia a century in the past learn this book. it's going to holiday you of such notions. Bohemia used to be in basic terms romantic in case you may get away from it. in case you couldn't get away the poverty, where used to be a killer. i Modigliani: A Life like to recommend this booklet to all those that aspire to be artistically poor.

Modigliani A Life
