Mucky puppy can by no means sit down still, and he's by no means happier than while he is chasing anything or sniffing whatever out. that is how the difficulty started. He needed to try out the tin of eco-friendly paint, which spilled all over the place him. after which he went to the barn and apprehensive a fowl who flew up so fast that she dislodged the straw. Now Mucky domestic dog used Monster Mucky Pup to be green, with clumps of straw sticking to his head, so it's not often mind-blowing that the donkey mistook him for a monster, and kicked his bucket at him. fortunately his mate the piglet met him, and so they plunged into the move together, which washed every little Monster Mucky Pup thing off.
